

Contactless Pick-Up Service

Priority for the availability of contactless pick-up service will be given to at risk individuals. (Seniors, front-line workers, those with health issues, etc.)

Contactless Pick-Up may not be available to all people at all times.

Contactless Pick-up details will be arranged directly with the customer.

Debit/Credit Card pre-payment is required.

We do not have an online store or e-commerce portal.

“Shopping/Ordering” will be facilitated by working directly with a ‘personal’ shopper by telephone or video chat.

Please be aware that you may be contacted by employees using their personal cell phone numbers or personal video chat accounts. We ask that you respect privacy concerns.

We also ask that you be patient and work with us to help you place your order. This is not a regular service we provide and we are figuring it out as we go. Please keep in mind we are trying our best during difficult times.
