

April 22, 2020 – Season Opening Delayed

Current government restrictions do not allow any member of the public to enter resort property, including resort homeowners and local Sherkston residents.

We do not expect to open as scheduled on May 1.

Until restrictions are eased, Sherkston Supermart, Sherkston Café and Sherkston Laundry will not be open to the public until further notice.

Sherkston Supermart is providing Contactless Home Delivery services. To learn more, please click on the button under the heading “Important Information” on our COVID-19 Page.

Updates will be posted in this section as more information becomes available.
