

May 21, 2020 – Sherkston Laundry OPEN

7 Days • 9am – 5pm

Since receiving notice on May 20 that the laundromat was to be closed we have been in contact with Niagara Region Public Health for clarification.

Niagara Region Public Health has re-reviewed our Operation Protocols which were established in April and have determined that our protocols are stringent enough to allow us to open – **PROVIDED ALL CUSTOMERS FOLLOW THE REQUIREMENTS FOR CUSTOMER ENTRY AND USE OF FACILITY.**

*In order to continue to offer access to the laundromat in the event that customers are not following protocols, we will only allow access to individuals who have pre-booked an “appointment”.*
